of Correction

Sir:

Applicants, through their undersigned attorney,
hereby again petition for correction of the name of the
assignee on the above-identified granted U.S. Patent. The
undersigned wishes to point out that this is the second time
the patentees petition on this matter. The first petition was
denied for reasons unclear to the undersigned, because the
first petition included all the required elements.

The name of the assignee was incorrectly designated
in item 5 of the Issue Fee Transmittal Form (PTOL-85b) filed
March 27, 2001. The Issue Fee transmittal incorrectly

identified the assignee as only Abraham KOGAN, of Shaked, Israel. The assignees should have been listed as Abraham KOGAN, of Shaked, Israel and Meir KOGAN, of Maalot, Israel. Attached hereto is a copy of the Notice of Recordation of Assignment Document, which indicates that that the assignment was recorded on October 28, 2004, as reel/frame 015316/0169.

The required petition fee set forth under 37 CFR 1.17(h) is also enclosed. It is respectfully requested that any deficiency in the attached fees be charged to the deposit account of the undersigned (02-4035).

Attached hereto is a Request for Certificate of Correction to correct this error on the face of the patent. Once this petition is granted, please forward the attached papers to the Certificate of Correction Branch for processing.
